

## The PrismRA® Results Portal

Seamlessly track all your patients with our HIPAA-compliant, user-friendly dashboard

### KEY BENEFITS FOR YOUR PRACTICE

1. Check the status of all your patients with pending or completed PrismRA results
2. All patient PrismRA tests are updated in real-time
3. Download PrismRA results directly from the dashboard as soon as they are available
4. Access patients and test results for all providers across your practice, including different physical locations
5. Grant multiple administrators access with a simple account set up

### 3 SIMPLE STEPS TO CREATE A PRISMRA RESULTS PORTAL ACCOUNT

1. Tell your Account Executive you are interested in the PrismRA Results Portal and they will get you started
2. Check your inbox for an email from Scipher Medicine (shown below) welcoming you to the community
3. Click the link, create your password, and your account is officially set up

Hi Provider,

Welcome to the PrismRA Results Portal! Here you can view and download your PrismRA results directly from the dashboard as soon as they are available. To get started, go to [\[LINK\]](#)

Username: provider.one@office.com

Thanks,  
Scipher Medicine

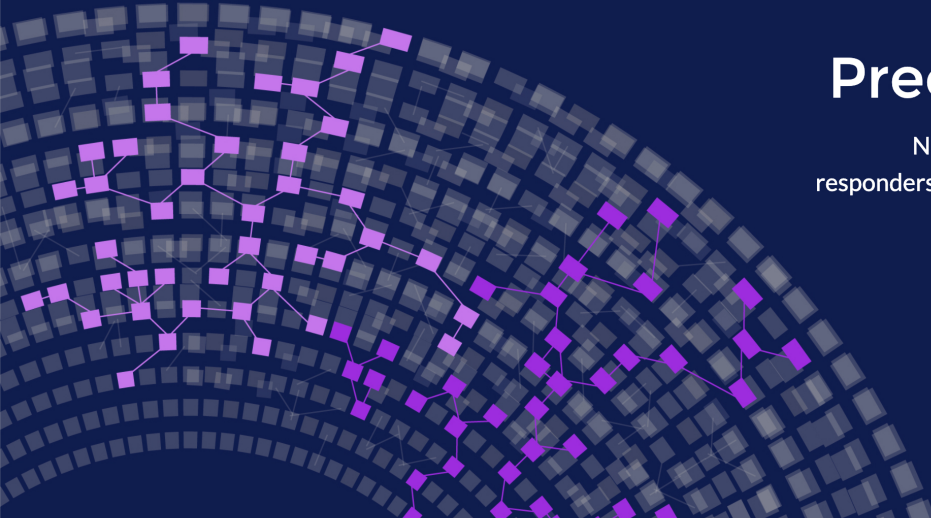

## NAVIGATING THE RESULTS PORTAL

1. After creating your account, enter your username and password to access the portal at <https://scipher.force.com/s/login/>
2. From the home page (shown below), click "My Account" to track your patients and view PrismRA test results

Home **My Account** Contact Us

Q Search...

# Precision Treatment

Now you can identify RA patients who are non-responders to TNF inhibitor (TNFi) therapy – before you prescribe or modify treatment

[Go to my account](#)

I attest that by using Scipher Medicine's Result Access Portal, I am confirming that I have the appropriate authority within my institution/practice and as outlined under the Health Insurance Portability and Accountability Act ("HIPAA") to access, view, and use test results within the Portal for patient treatment purposes. If the scope of my authority changes, I will notify Scipher Medicine immediately.
